Application for Continued Occupancy

Household Asset Information

All assets for every household member must be reported and verified at every recertification. Please enter all assets below and submit/upload supporting documentation, this includes 6 consecutive recent statements. Refer to "What is an Asset?" flyer for a comprehensive list of assets and what documentation is required for each. If you no longer have an asset previously reported, you must provide documentation such as a closing statement or a letter of closure from your financial institution.

*****COMPLETE THE BELOW*****

Household Member Name	Financial Institution Name (i.e., Chime, Chase, etc.)	Is this asset new since last recertification?	If this asset is new, enter date opened	Check box confirming you included the supporting documentation
